

DAY 7 Learning at Home with The Reading Realm
presents...

The Shop on Peculiar Hill by Grimly Darkwood

Word of the Day

peculiar

Can you write a definition of the word and include it in a sentence?

Science

Design a strange creature to live on Evil Island. Write a report about its habitat, appearance, diet and adaptations.

Keeping Active

Peter must stay away from some strange creatures called bogeys! Play a game of 'Bogeys and Fizz'. One of you is a bogey and the rest are trying to escape. If the bogey gets you, you have to 'fizz' and fall to the ground, where you are stuck until someone else comes and taps you and frees you! It's a bit like Stuck in the Mud!

Maths

Peter's parents are eaten by tigers. How many arms and legs do the following have?

- 10 tigers
- 13 tigers
- 20 tigers
- 26 tigers
- 35 tigers

Geography

Design and draw a map of Evil Island, thinking about what kind of landmarks you might see there!

Films of the Day
